No. 07-01819 CW

11 _____ /
12 ORDER DENYING
13 STIPULATION
14 REGARDING REVISED
15 CASE MANAGEMENT
16 SCHEDULE

17 On July 29, 2009, counsel for the Direct-Purchaser Class,
18 Indirect-Purchaser Class and the Defendants submitted a Stipulation
19 Regarding Revised Case Management Schedule requesting the case
20 management schedule be modified to move back the currently-
21 scheduled trial date by five weeks. Having considered the
22 stipulation and the Court's calendar, the stipulation is DENIED
23 WITHOUT PREJUDICE. Moving the trial back five weeks will push the
24 trial into November 2010, which is already full with trials
25 including a re-trial of a 1996 case. Counsel may contact the
Courtroom Deputy to check on available trial dates.
